You Are Our Heros!

We found our forever homes because of you!

Dear Friends of Noah's Ark,
We would like to take this opportunity to thank our heroes for your generous support of Noah's Ark Animal Foundation. Your donations have helped us continue to provide care and shelter for the animals in our community.

There's no place like home

We are grateful for your commitment to our mission of rescuing, protecting, and finding loving homes for stray and neglected dogs and cats.

Your support makes it possible for us to offer the best in both traditional veterinary care and whenever possible, holistic healthcare for sick and injured animals in our care.

Noah's Ark is able to actively promote spay and neuter of community pets. This is done through our CCSNAP (Caring Community Spay/Neuter Assistance Program) funded by your donations. This program is able to help families that need financial assistance with their pet, preventing unwanted litters.

Living the life

Toby all tuckered out

Bean continues to bring us joy

Noah's Ark relies on your generosity of donations to stay open and keep the animals happy and healthy while waiting for their new homes.

The happy faces on this page are the result of being able to rescue and rehome the strays in our community and surrounding areas into loving families.

Whether you donate money, your time or items that can be used in the shelter, you can make a huge difference in the lives of our dogs and cats. We could not be more grateful for you and your support.

SUCCESS STORIES! *Did you adopt an animal from us?* We would LOVE to hear from you. Email **friends@noahsark.org** with a picture and story about how your new addition is doing in their new home. You may be published in the next newsletter. —***Dawn***

Thank You Donors and Supporters

We would like to take a moment to thank everyone who has supported Noah's Ark, kept our doors open, and made it possible for lives to be saved. Even though the shelter is open by appointment only, we want to ensure you that we are still fully committed to continuing our lifesaving work and helping those who need us most. You make it all possible and we thank you from the bottom of our hearts.

—Dawn Hauck, Director
